Together in peace

Creator God,
Lift the shadows of fear, of prejudice,
of misunderstanding,
from each of us,
And let us weave together in our country
A new tapestry for living,
with our neighbor...
A Tapestry of new-born hope,
Woven with delicate threads of love.
May we be made as small children again,
Allowing ourselves to be made vulnerable in
Your love,
And aware of our weakness.
And in drawing the warp and the weft
together,
Create a Tapestry of peoples
that is tough and durable;
The Holy Spirit becoming the warp,
Strong in texture,
supporting and strengthening
Yet not so taut that the threads will break,
But pliable, giving, responsive to each other.
Release us from self, that together in peace,
We can come to You, united in your love.
Amen.
